# TEENS @ THE LIBRARY

Thursday, January 5, 7pm

Learn from Alexandria Martinez how to work together to make a special type of braided edge blanket which will be donated to keep folks in our community warm.

Thursday, January 19, 7pm

Learn the secrets to study smarter and become a better test taker with expert speaker Vairam Alagappan from Advantage Testing.

Thursday, February 2, 7pm

MakerSpace: Assist and inspire younger students to uncover their inner artist using mosaics, boxes, duct tape, etc. to make something special.

Thursday, February 16, 7pm

Art teacher Doris Benter will help you make a mosaic mirror for your own use.

Thursday, February 23, 6:30pm

Join us for a film viewing and discussion Movie Night with Dr. Danny Pompa.

### HOW TO STUDY & IMPROVE TEST TAKING SKILLS

**THURSDAY, JANUARY 19, 7PM**

Guest speaker, Vairam Alagappan from Advantage Testing, will present a talk for students in grades 9 through 12 on how to study and improve their test taking skills. Learn how to be a better student and how to plan for college entrance exams. Among the topics covered will be: how to memorize better; how to read faster; how to do better in science and math classes; how to write better and deciding on which standardized tests to take for college entrance. We conclude with a question and answer session.

### ANY SOLDIER VOLUNTEER PROGRAM SATURDAY, MARCH 4, 11AM

Let's send some good wishes to our soldiers serving our country. We need your help organizing the donations into boxes and bringing them to the Post Office. Any donations willingly accepted.
