TEENS @ THE LIBRARY

Robotics and Coding Games

Thursday, May 4, 7pm

The Public School and Public Library are uniting forces for your benefit! Produce your own digital games, mazes and have fun learning with Ozzobots, Bloxells, and Little Bits. High School Librarian Arlene Munson and student experts will show you how.

Plots and Pizza

Tuesday, May 9, 4:30pm

Come join us to discuss the book *Ghost*, by Jason Reynolds - a book he wrote for the traumatized and triumphant!

Master the College Application and Testing Process

Tuesday, May 9, 7pm

Nick LaPoma from Curvebreakers will explain the college application process and how to best position yourself to gain acceptance and scholarship for college. Those who took practice exams will get back their graded test.

Babysitting and First Aid Workshop

Thursday, May 18, 6:30-8:30pm

Become a skilled babysitter. Learn to feed, diaper and care for children from two registered nurse instructors. Please bring a doll or stuffed animal to learn diapering. Certificates will be presented to all taking the course. Limited space - registration is a must.

Make It Chocolate at the Library

Thursday, June 1, 7pm

Come join us for all things chocolate. In our master class, you will learn the secrets to whip up your own delicious chocolicious treats.

Any Soldier Volunteer Program

Saturday, June 3, 11am

Send good wishes and help organize donations into boxes to bring to the Post Office. All donations will be willingly accepted.

Yoga and Meditation
