

# *City of Glen Cove*

## *Shed your Meds' Day*

*Saturday, October 14, 2017 11a.m. - 2p.m.*

**Heroin and prescription drugs continue to take a devastating toll on Long Island. One of the best tools in prevention is our drug reclamation program in partnership with the Glen Cove Police Department, Glen Cove EMS and SAFE Inc. We urge all who have unutilized medications to dispose of them properly. Please join us at the Glen Cove Police Department to find out more information on prescription drug and new pharmacy take back laws.**
