

CHANGE BEGINS WITH YOU!

POP – Pencils of Promise

Do you believe in education for ALL? Let's make an impact on global education by providing children in the developing world access to an education. POP is a non-profit organization that builds schools and increases educational opportunities in the developing world. To date, 429 schools have been built in Laos, Nicaragua, Guatemala, and Ghana.

How can you help?

Buy a pencil! We will begin selling fun, decorative pencils for .50¢ each. All money will be donated to the Pencils of Promise fundraiser to help build schools in developing countries. Our goal is to empower our students to make a difference and affect positive change. If you're feeling extra generous, a \$1.00 donation per pencil will be recognized on a giant poster of a pencil in the lobby of the school.
