

#6 Musical Musings #9*

Grade 3-5

Music Program
News and Notes

November/

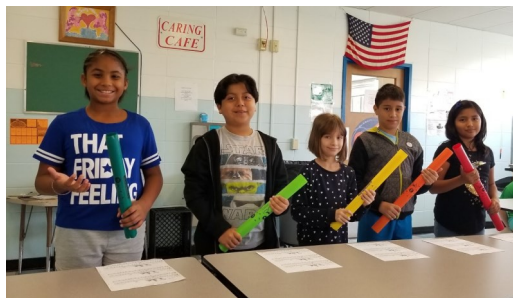

Things are “booming” in the General Music classes! Boom Whackers are colorful tuned tubes that play different notes of the scale. Fifth grade students have been using them to play both the scale and simple songs.

You may remember “Every Good Boy Does Fine” to remember the lines of the treble clef. Our 4th Grade students came up with their own sentences while learning their unit on the Musical Staff including:

“Every Good Boy Dances Fortnite”, “Every Good Burrito Doesn’t Fall Apart” and “Every Gorilla Bathes During Fall”.

Our 3rd Grade Students have been working on singing and listening games. They are now working on creating their own rhythm poems using Halloween word rhythms.

We are so excited to have begun making music in both the elementary band and orchestra programs! We would like to welcome Mr. Nicholas Coacci to our music staff! He will be teaching band at both Connolly and Landing Schools. Band and orchestra is offered at the 4th and 5th grade levels. Students are given a weekly group lesson and then meet twice a week as a full ensemble during recess. We are busy preparing for our winter concert in 5th grade and

the 4th graders are getting acquainted with their instruments and learning the importance of practice, musical sight reading, instrument care and responsibility. It is going to be a great year!

**Please encourage your young musician to practice, practice, practice!

*** *Please refer to the lesson schedules and help your child to be prepared for lessons with instruments and binders!**
