<b>Tenure Recognition</b> – Dr. Rianna recognized all the individuals receiving tenure. Each were presented with a gift from the district and a photo was taken. The GCTA president, Karen Ferguson distributed gifts to these individuals as well.
<b>Recognition of Retirees</b> – Dr Rianna acknowledged all the individuals retiring and their commitment to the district. A photo was taken and a brief reception with cake and coffee was given in their honor.
<b>Expanding Opportunities for all at the Middle School</b> – Dr. Israel updated the community on the enhanced opportunities at the middle school through a presentation. Handouts were made available to the Board as well as everyone in attendance. Questions were taken by the Board and the community.
<b>Discussion - AdHoc Committees</b> – Once a committee completes the purpose of that committee being form it no longer is a committee. If a request is made to have a committee formed again for a particular charge then a request is made to the Board of Education and a determination is made if a new committee should be created. There’s an understanding that there was a request to review a document that was given to the Board a little over three years ago from the Fine Arts Committee. It’s up to the Board if they want to form a new committee to review fine arts. It was decided that this will be a decision for the new fiscal year.
